

PAR3

Medicare Based Reasonable Reimbursement Rates

- Medicare based provider reimbursement program
- Effective alternative or compliment to traditional PPO networks
- No restrictions on providers or facilities members can utilize
- Copay, deductible and/or coinsurance payment strategy
- Member balance-billing support provided through INETICO's Patient Payor Services

INETICO ADVANTAGE:

Medicare based payment supported by appropriate plan language, member ID cards and INETICO's Patient Payor Services create substantial savings for the plan, greater options for members, and simplified payments to the provider.
