

# DENTAL PPO

Ensuring a Lifetime of Smiles

- Multiple networks managed through one portal – INETIPASS
- Deep provider discounts averaging 20-50% (depending on network and market)
- Detailed, geographic claims analysis pinpoints most optimized network for plan members
- Provider networks and fee schedules maintained and housed in our proprietary system
- Instantaneous repricing ensures rapid turnaround times for claim payments

## INETICO ADVANTAGE:

National, regional and local dental PPO networks positively impact dental plan costs.
